

SUPPLIER BULLETIN

November 2016

To Our Suppliers:

It is appropriate at this time that we at Teledyne Technologies Incorporated recognize our suppliers who make it possible for us to manufacture our products and fulfill our customers' requirements. Thank you for your support during the past year. As the holiday season approaches, we want to extend our warmest wishes for a joyous holiday season to you and your employees and their families. We hope that the New Year will be a good one for your company.

Also, we would like to take this opportunity to remind suppliers of our Ethics Code of Conduct for Service Providers, which applies to all suppliers and is available at www.teledyne.com. In addition, please note that Teledyne has a continuing policy that prohibits Teledyne employees and their families from accepting gifts or gratuities from our suppliers or others with whom we have a business relationship, except in limited circumstances. It is in both our interests to avoid even the appearance of any form of favoritism or conflict of interest. We are certain that you share our desire to act in a manner consistent with the law, our policies and our commitment to ethical business practices.

Should you have questions regarding Teledyne's ethical business conduct requirements, you may contact our Senior Vice President, General Counsel, Chief Compliance Officer and Secretary at (805) 373-4605. We also maintain a Corporate Ethics Helpline, at (877) 666-6968.

Again, thank you for your continued support and have a happy holiday season and a prosperous New Year.

Sincerely,

Robert Mehrabian
Chairman, President and Chief Executive Officer
